Appeal of the Board of Equalization Decision to the Utah State Tax Commission

Instructions

The attached appeal form must be filled out for each property for which you are seeking a hearing and further review by the Utah State Tax Commission. This form together with any additional data you wish to provide, must be received in our office no later than **Thirty (30) days from the date on your decision letter.** We will then forward your application for hearing along with any supplemental information provided herewith, to the Utah State Tax Commission.

The past several years the State Tax Commission has scheduled Washington County property hearings here in St George. This generally takes place early spring. We are assuming that this will be the case again this year. You will receive notification from the State Tax Commission as to the date, time, and location of the hearing that pertains to your request. Please note in order to avoid any penalty and interest charges, the property taxes that are assessed this year are still due and payable by December 1, 2008. If the State Tax Commission rules favorable in your behalf, a refund will be made of any overpayment.

The address to which you are to return your appeal form is:
